## **WELLS FARGO FUND FOR FACULTY EXCELLENCE**

### **WELLS FARGO FACULTY FELLOWSHIPS PROGRAM**

Untenured junior faculty members affiliated with the Charlotte Research Institute are invited to submit proposals for a Wells Fargo Faculty Fellowship. A Wells Fargo Foundation endowment gift to UNC Charlotte makes these awards possible. Fellowships are competitive research grants and are awarded on the basis of the submitted proposals. Wells Fargo Summer Stipends are intended to assist junior faculty during their first summer at UNC Charlotte.

We request that proposals for no less than \$1,000 and no more than \$4,000 be submitted in either category. Proposals are asked to specifically address the impact of the work on the mission of Charlotte Research Institute. Proposals should include, on a single sheet, a biographical sketch and a summary of research directions and goals with their proposal. Department chairs proposing on behalf of new faculty recruits should extract this information from the candidate's vita.

The proposals may be submitted to Charlotte Research Institute until March 31<sup>ST</sup>. A committee comprised of the Institute's center directors, executive and associate directors will judge the proposals. The executive director will make the award decision.

A report on the results of the accomplishments that resulted from the support will be required within one month of the end of the term of support.
